## Periodic Products to Participate in National Water Quality Symposium

Fort Lauderdale, FL – June 9, 2016

Periodic Products Inc. today announced that Joseph Laurino, Ph.D., the Company's president and CEO, will be participating in a national water quality symposium presented at the *National Environmental Health Association and HUD Healthy Homes Joint Annual Conference* in San Antonio, TX, June 13-16, 2016.

Dr. Laurino will be representing both the Company and the Association of Pool and Spa Professionals (APSP). Dr. Laurino is chairman of the APSP Recreational Water Quality (RWQ) Committee.

This conference is cosponsored by the Green & Healthy Homes Initiative, the Council on Foundations, and the White House. As one of many community-based public health programs sponsored by The White House, the conference is specifically charged with leading national efforts to integrate lead hazard control, home weatherization and energy efficiency, and improved home environmental health.
