

# FOR IMMEDIATE RELEASE

## Periodic Products CEO is Keynote Speaker at International Phosphate Research Conference

Fort Lauderdale, FL – December 4, 2018

Periodic Products Inc. announced today that Joseph P. Laurino, PhD, MBA, was invited to be a keynote speaker at the International Conference for Research on Phosphates and Derivatives, November 11-14, 2018, in Ben Guerir, Morocco.

Dr. Laurino, the Company's founder and CEO, presented *The Recovery of Rare Earth Elements from Phosphate Rock and Phosphate Mining Waste Products Using a Novel Water-Insoluble Adsorption Polymer*. The presentation highlighted the Company's patented technology for the recovery of rare earth elements from several classes of waste products.

### About Periodic Products

Periodic Products is committed to advancing a cleaner and safer global environment through the application of responsible science and breakthrough chemical technologies. **Chelok**<sup>®</sup> is Periodic Products' patented chelating technology. Chelok gives our family of polymers the power to rapidly and permanently remove metals from water, soil and industrial ash, and allows metals to be safely and economically recovered from mining waste.
