

FOR IMMEDIATE RELEASE

Periodic Products Featured in Energy Industry Journal

Fort Lauderdale, FL – December 5, 2018

Periodic Products Inc. announced today that the Company was featured in an article in the December 2018 Edition of *Natural Gas Electricity*. The article, entitled “Rare Earth Metals from Fly Ash Are a Major Opportunity,” was authored by Joseph P. Laurino, PhD, the Company’s founder and CEO. The article highlighted the Company’s patented technology for the recovery of rare earth metals from coal ash.

Natural Gas Electricity is a monthly journal published for producers, marketers, and distributors in the natural gas and electricity marketplaces.
